WASHINGTON'S™

PORTER

G. Washington

Detailed in a letter from the General to his officers during the war, Washington's recipe employed molasses to aid fermentation and give a rich caramel aroma to this robust, roasty ale.

JEFFERSON'S™

GOLDEN ALE

Th. Jefferson

This complex golden ale pays homage to our Founding Father and fellow brewer, Thomas Jefferson. We recreated his recipe employing honey, rye and wheat, just like the beer brewed at Monticello during Jefferson's time.

POOR RICHARD'S™

SPRUCE ALE

Benj. Franklin

This one-of-a-kind deep amber ale calls for barley, molasses, and essence of spruce. We use locally-sourced organic blue spruce clippings to create an ale as approachable and engaging as the man himself.
